— ABOUT PORTNALL

Built by healthcare people, for healthcare people

Portnall Healthcare is a specialist recruitment partner supporting the NHS, private hospitals and care providers across the country. We match compassionate, qualified professionals to the shifts and roles where they're needed most.

From emergency same-day cover to long-term placements, our team combines deep clinical staffing knowledge with a genuinely human approach — because behind every rota is a patient who needs care, and a professional who needs the right role.
